

Agus – Big Dick Playa

The Legend of Balinese DonMu – Book One (Part II of III) – Chapter 16

I turned back over to Olof, Wing and Lakeisha who were still sitting down at their end of the table. Talking away with each other. Eating their breakfasts. Enjoying themselves and getting really excited about everything we had going on around here. Then I turned back to the other end of the table and noticed little Agus (*Ah-goose*) sitting down there. All by himself. Tilted back in his chair. Feet up on another chair. Fresh Jamu juice in his hand. Seeming very content and relaxed just sitting there by himself and enjoying the beautiful view.

And I knew Agus had worked at the hotel for a very long time. And guessed he probably never really got a chance to sit out here where all the other rich bule (*boolay*) guests would sit and watch the workers toiling away in the fields down below ... *considering he was probably the one who had to bring them out their cocktails* ... and I wanted him to be able to enjoy this moment. And take it all in. But I also wanted to sit down there with him and enjoy it with him too.

So I was torn.

Then remembered we had our little pact together. As it was me and him against the world. And we were in the same sinking ship together. And decided ... *ahhh, what the heck* ... and went over there and sat down next to him. Seeing how pleased and happy he looked. Just sitting there. So tranquil and Zen'd out. Staring out onto the rice fields and sipping on his little Jamu juice cocktail. Taking a moment for himself. For quiet reflection. Which I thought was really nice. So I looked at him and gave him a big old smile and told him he looked just like one of those rich white bule who sit out here drinking their cocktails and enjoying the beautiful view.

"Oh yes, Mr. Jeff. Feel like rich white bule right now."

"And you have waited on them and bowed down to them for a very long time, haven't you Agus?"

"Oh yes, Mr. Jeff. For very long time."

"And you never really get a chance to sit out here like they do and enjoy this beautiful view?"

"Oh no, Mr. Jeff. Never."

"But you like sitting out here, don't you Agus?"

"Oh yes, Mr. Jeff, like very much."

"You like feeling like a rich white bule?"

"Ohhhh yes, Mr. Jeff. It feel good to be rich white bule."

“Well guess what Agus? Soon there will be fields full of rich white bule out there picking your rice. Working in your industries. While you will be sitting up here drinking your little Jamu juice cocktail and getting paid Good Luck money.”

“Oohhhh yes, Mr. Jeff. That will be very nice.”

“And just like rich white bule have done around the world for hundreds of years, the system here will be rigged and unfair and discriminatory. Only the rich bule won’t know it. But it’s possible over time they will figure it out and get upset and try to take it from you.”

“Oh no, Mr. Jeff. We cannot let them take it from us.”

“No Agus, because you and the other locals have worked very hard to set this system up and put in a lot of time and effort into it. And even though the rich bule may think it’s unfair and discriminatory, you have still given them many good things.”

“Yesss, we give them many good things.”

“And then they will take it for themselves.”

“Oooohh ... they will take it for themselves.”

“And you do not want that do you Agus?”

“Noooo Mr. Jeff. Do not want that.”

“Because you like being on top, don’t you Agus?”

“Oh yes, Mr. Jeff. Feel good to be on top.”

“Like a colonialist.”

“Oooohh ... a colonialist.”

“A big dog colonialist.”

“Yesssss ... a big dog colonialist.”

“And don’t forget about the women Agus.”

“Ohhhhhhhh ... women.”

“White bule women.”

“Oooooooooh white bule women.”

“Bowing down to you.”

“Aaaawww bowing down to me.”

“Because you have money.”

“Oooohhh ... money.”

“And power.”

“Ahhhhhhh ... power.”

“And think you’re a big dick playa.”

“Oooooohhh ... to be a big dick playa.”

All of a sudden, I had a strange feeling and turned around and saw Lakeisha just standing there behind us. Looking down at us and shaking her head like ... *un-frickin-believable* ... So I just smiled back at her, giggled, turned over to poor little Agus – knowing the dream was now over for him – and said ... “Well Agus ... the rich bule have important matters to discuss ... soooooo ... off ya’ go.”

And with that, he snapped back out of his trance, hopped to his feet, bowed, apologized for his impudence, and hurried back over to his duties behind the main reception desk.
