

DD Smooove & the Klan Guys

The Legend of Balinese DonMu – Book One (Part III of III) – Editing Room Floor

DD Smooove is back on the phone talking with the main Director of the CIA while his two little interns are on their laptops at the other end of the table gathering up more information, trying to figure out what's going on, watching and listening to all the different audio and video feeds from the Hotel Colonialist. Figuring out who's all there, what their roles and purposes are, taking notes, doing background checks, collecting old secret files, coordinating a plan and basically getting everything ready to go for their upcoming trip to Bali while also getting really excited.

"Oh man, this is going to be so awesome!" Intern A smiles over at Intern B.

"Oh yeah, this is going to be lit!"

"I'm so stoked!"

"Yeah, me too. And DD Smooove is so frickin' bad ass man!"

"Oh yeah, he's straight fire."

"Oh yeah, he's the bomb ... but hey ... let me ask you something?"

"Ok, what's that?"

"What do you think about him calling us his little cracka's?"

Intern A pulls his head back. "What the fuck, dude?! Why you gotta ask something like that?!"

"What? ... it's just a question?"

"Well don't ask questions like that people might think you're a racist."

"But I don't understand, it's just a question?"

"Well people don't like those kinds of questions. So don't frickin' ask 'em."

"Well ... to be honest, I actually kinda like it. And think it's pretty cool that he calls us his little cracka's."

Intern A pauses on that. Placing his finger to his chin. "Yeeaahhhh ... I actually like it too. And think it's pretty cool. I just think it means he likes us and we're part of his team now and part of his crew."

“Yeah totally, and he doesn’t say it in a mean way or anything like that. It just seems like he’s joking around and really does like us.”

“Yeah ... totally ... I think he really does like us too and is just joking around.” Intern A says nodding his head up and down while Intern B nods his head up and down too. Big old smile on his face. Although now tilting it a bit to the side and thinking about something else. “But could you imagine if we were little black kids and he was white calling us his little n-words?”

“What The FUCK Dude?!!” Intern A rears his head back. “Why the fuck would you say something like that?! Jesus H. Christ. What the fuck’s wrong with you. Besides that’s like soooooo different. There’s like a whole history behind that word.”

Intern B ponders that for a minute. “Yeeaaaahh, true.” Reflecting on it some more. “But isn’t there like a whole history behind the word cracker too? I mean isn’t there like ...”

“Shut The Fuck Up Dude!! Jesus H. Christ! Stop saying that shit. Oh my God what the hell’s wrong with you?! We shouldn’t even be talking about this shit anyway because it pisses people off. Not to mention there’s the whole issue of slavery to deal with here. Ok you frickin’ dumbass?!”

“Yeeaaaahh, I guess so ...” Intern B contemplates that furrowing his brow a bit. “But wasn’t slavery also ...”

“What THE FUCK Dude?!! Stop it! Just stop it! Don’t even say the word slavery. I already told you it pisses people off. What the fuck’s wrong with you?!”

“But you just said it?”

“Oh My God!! ... But I said it in response to your first dumbass question and in more of a solemn and respectful way. Like I acknowledged it was bad. While you’re just poking around or something.”

“Yeeaaaahh ... I guess so ... sorry about that. I was just curious and wanted to ask a question.”

“Well don’t! Don’t ask questions like that dude. Jesus H. Christ, how many times do I have to tell you it pisses people off.”

“Okay ... I hear ya ...” Intern B pauses on that, giving it some more thought, waxing reflectively on it. “But ... I still like him calling us his little cracka’s.”

Intern A pauses on that too, waxing reflectively on it.

“Yeeaaaahh ... I definitely like it too.”

DD Smooove finally gets off the phone, hangs it up, and turns back over to his two interns.

“Alright my little cracka’s that was the Big Dog. The Boss Man. And I just got some news dropped on me. He says we gotta take that new HR/DEI chick with us too. That little twenty-something white chick who goes around telling everyone how great they are, and loved and supported, and is always encouraging them with positive reinforcement and shit, and telling them how appreciated they are and being all woke and politically correct and shit.”

“Oh yes, sir. We actually know her, sir. She’s the one who gave us our CIA onboarding session. She’s actually really nice and super helpful, sir.”

“Oh, she is huh?”

“Oh yes sir, and she’s also super respectful and accepting, and listened to us and made us feel good about ourselves, and went out of her way to make us feel valued and acknowledged, and was incredibly sensitive to our needs.”

“Oh yeah ... I like it when chicks do that shit.”

“Oh yes sir, we like when chicks do that shit too. It’s really awesome. But it’s also kinda confusing because when you’re sitting there and she’s telling you how valued and included you are, and is nurturing you and being all attentive to your needs, she’ll also do something like ask

your permission to give you some kind of affirmative touch – which of course you say yes to – and then she'll like touch you on your knee, and start rubbing you, and look deep into your eyes, and it totally feels like she wants to bang."

"Oh yeah, that shit can be confusing cause you totally think she wants to bang."

"Oh yes sir, you just know she wants to bang."

"And you know if you got a couple drinks in her you could totally bang her."

"Oh, yes sir, you know if you got a couple drinks in her she'd be all wild and nasty and shit and just begging for you to bang her."

"And you little cracka's wanna bang that shit, huh?"

"Oh, well ... I mean, yes sir ... that'd be really sweet and all. Cause she is like super-hot ... but we actually think you should be the one to bang her."

"Oh, you do, huh?"

"Oh yes, sir. That's for you, sir!"

DD Smooove starts laughing and nodding his head up and down. "Oh, ok ... ok ... I think I like that shit. Stepping aside for the big dog, huh? Well alright then. Alright. We might be able to make that shit happen. But first ... the Boss Man said we gotta take this chick with us ... and he also says it's a new day and age where muthafucka's be all sensitive and shit. And cracka's be getting all butt-hurt and offended and shit. And he tells me I gotta ask you little cracka's something."

"Ok, sir. What's that?"

"If you mind me calling you my little cracka's?"

The two interns both look at each-other. A bit surprised. And impressed. Eyes wide open with big 'ol smiles on their faces.

"Oh no. Not at all sir! We were actually just talking about that, sir. And we both agreed that we like it when you call us your little cracka's. Cause it makes us feel like we're part of your team now and part of your crew."

"Oh, hell yeah ... that's what I'm talking about here. Muthafuckin' teamwork and shit." DD Smooove says eyeing them appreciatively. "Myyyy cracka's."

"Yes sir!!"

"No, ya gotta say Myyyy Sir."

"Myyyy sir!"

"But pronounce the first word more. Like Mayy'sir."

"May'ssir."

"Longer. With a 'Yes' in front of it."

"Yes, Ma'ssssiirr ..."

"Now draw it out a little more."

"Yesssss, Ma'ssssiirrrrrr ..."

Yeeaaahh ... that's it my lil' house cracka's. That's good shit right there. But first, let me ask you little cracka's something ... cause I need you to get me up to speed on something here ... about those four Klan guys locked-up in that woodshed ... cause that shit's been tripping me out and I gotta know what that shit's all about?"

"Oh, yes sir. Yes sir. We were actually just listening to them on the audio feed sir. And get this sir ... their leader guy ... well, you're not going to believe this but his name is Trip-K's."

"Trip-K's?!" DD Smooove scrunches his face up. "Like in the KKK, Trip-K's? Like the muthafuckin' Ku Klux Klan?"

“Yes sir. Apparently his first name is Keith. Middle name Kyle. And his last name is Klanz. I mean how fucked up is that, sir?”

“Oh yeah, that is seriously fucked up.”

“Oh yeah, and his three little buddies are named Cooter, Muskrat and Varmint.”

“Varmint?! Like the animal Varmint? Like the one you’d find on the side of the road?”

“Yes sir. And we’re guessing those are just their nick-names but you never know with these dumbass cracka’s and if their tard-ass parents just named them that shit on purpose?”

“Oh yeah, you never know with these tard-ass parents and what the fuck they be naming their kids these days.”

“Oh yeah, sir. Total tard-ass parents. Probably voted for Trump too. And wear those gay-ass hats.”

“Oh hell yeah, those hats are seriously fucked up. All redneck and racist and shit. But tell me this ... cause this shit’s got me all curious and shit ... what are those dumbass Klan guys doing right now? Are they still locked-up in that woodshed unknowingly eating all that drugged-up trail mix?”

“Oh yes sir ... and get this sir ... that one guy Cooter is so drugged up that he keeps talking about how Lynyrd Skynyrd is the greatest band in the world. Cause there’s like 7 guys all playing electric guitar together. In like perfect rhythm. With long hair flapping up and down. Bobbing their heads up and down in some kind of holistic synergy with the universe. I mean what a total dumbass, huh?”

“Oh yeah, total dumbass cracka.”

“And get this sir. Cause this is even more fucked up. He’s also talking about how they should try and walk a mile in other people’s shoes ... and see things from other people’s perspectives. And he’s so drugged up that he’s feeling all guilty about his dumbass cracker ancestors being all redneck and racist and shit, and owning slaves and shit. And now thinks he should try and walk a mile in a slave’s shoes to see their perspective on things ... and what it’d be like to be a slave. I mean how fucked up is that, sir?”

“Oh, yeah, that is *really* fucked up. But I actually think I wanna see that shit. So can we pull that shit up on your laptop? Tap into that live feed? Cause this might be too good to pass up on.”

“Oh yes, sir! We can totally do that for you, sir. We’ll pull that up for you right now sir.”

Intern A says now pulling up the audio and video feeds on his laptop while DD Smooove walks around to the other side of the table and peers down at the screen seeing four drugged-up Klan guys locked-up inside a woodshed sitting around a wood-burning stove.

Intern A turns the volume up.

“Hey Trip-K’s ...?” Cooter pokes his head up while Trip-K’s lets out a long-annoyed groan.

“Uggghhhhhh ... what now Cooter, gaaawwdammit.”

“Do you think slaves would like Skynyrd?”

DD Smooove’s eyes bug out.

Trip-K’s’ too.

“What da Hell, you talkin’ ‘bout Cooter?! No, I don’t think slaves would like Skynyrd. They’re slaves. Why da hell would dey like Skynyrd?”

“Well, I wuz just thinkin’ ...”

“Well dat’s your gawdamm problem Cooter ... you’z been thinkin’ ‘n wunnerin’ ‘bout stuff ‘n eating dat dang-darn trail mix.”

“But I wuz just thinkin’ ‘bout what White Jeff said ‘bout tryin’ ta put yourself in udder people’s shoes ... ‘n I wuz just thinkin’ dat if I wuz a slave working out in da fields I might wanna hear a little Skynyrd.”

“Jesus H. Christ Cooter! Slaves ain’t gonna wanna hear a little Skynyrd while der out der working in da fields! What da hell’s wrong withcu?!”

“But why not, Trip-K’s? We like Skynyrd?”

“Well, we’re not slaves Cooter!! For da love of God! And besides, slaves like dat old gospel ‘n spiritual music ... ‘bout swinging low with chariots ‘n stuff.”

“But dat’s exactly what I wuz thinking!” Cooter’s eyes get all wide. “Cuz dat music’s all sad and depressing ... ‘n if I wuz a slave working out in da fields I might wanna liven’ things up with a little Skynyrd.”

“Jesus H. Christ Cooter! Slaves ain’t gonna wanna liven’ things up with a little Skynyrd! Oh, my God! Have dun lost your mind boy?!”

“Well, I dunno ... I’z just been sitting here wunnerin’ ‘bout stuff ...”

“Yeah, I’z been wunnerin’ ‘bout stuff too!!” Muskrat now perks up.

“Oh, Jesus H. Christ! Now you too Muskrat?!” Trip-K’s throws his hands in the air.

“Yeah ... I’z been wunnerin’ ‘bout stuff like maybe da Jews *don’t* control the world? ... ‘n maybe da Jews have der own secret websites dey go to too ... dat tell ‘em who dey think controls da world ... ‘n maybe dey thinks we’z control da world ... ‘n just been blaming dem dis whole time ta git ‘em off our scent?”

“Oh, my Lord!!” Trip-K’s slaps his hand on his forehead.

“Yeah, Muskrat!” Cooter chimes back in. “‘N maybe all da udder minorities have der own secret websites dey go to too ... ta git der own idears bout stuff ... ‘n maybe we gotta go der too ... ta learn from ‘em ‘n give us a brand-new way-a looking at things?”

“Yeah!” Muskrat gets all excited. “‘N maybe ya gotsta put all da different idears ‘n websites together ... from all ‘roun da world ... so dey all-inclusive ... ‘n dat’s what it takes ta figgur’ da whole thing out?!”

“Gaaawwwdddammittt!!” Trip-K’s slaps his hand on his knee. “Would you two stop talking ‘bout putting all da different idears ‘n websites together ... from all ‘roun da world ... so der all-inclusive ... Jesus H. Christ have you two dun lost yur minds?!”

“Well, I dunno Trip-K’s ...” Cooter now gazes ‘roun da woodshed. “I’z just starting to feel all tingly inside ‘n starting ta feel like things are starting ta become more clearer now ... ‘n starting ta make more sense ... like I’z be seeing things for da first time ever – all o’er ‘gain – but from a different perspective or sumpin’.”

“Yeah, I’z be feeling all tingly inside too!” Muskrat livens up. “‘N seeing things for da first time ever ... all o’er ‘gain!”

“Jesus H. Christ!! Dat’s cuz you’z been eating dat dang-darn trail mix ‘n r starting ta turn into a couple a goddang hippies!”

“Well, I tell ya, Trip K’s ...” Cooter now lifts the bag of trail mix up examining it closer with his eyes going in and out of focus. “Dis here trail mix sure is good ... I mean, it’s chock-fulla all different kindsa nuts ‘n seeds ... ‘n shapes ‘n sizes ... ‘n colors n’ textures ... like all mixed up from da trail o’ life or sumpin’ ... like maybe it’s one ‘o doze metaphor things White Jeff wuz talking ‘bout?”

“Gaaawwwdammittt Cooter!!” Trip-K’s slaps his hand back down on his knee. “For da love o’ God ... gimme sum ‘o dat dang-darn trail mix den ... I might as well see what da hell you’z talking ‘bout!”

DD Smooove turns back over to his two interns.

“Ooohhhhh ... I can’t wait to fuck with these dumbass cracka’s.”

“Oh, yes sir! ... fucking with demz gonna be sweet!!”
