

Lil' Shmoogy & Trip K's (Best Friends)

Lil' Shmoogy & Trip K's are sitting on the edge of the rice paddy smoking weed, talking shit, while Lil' Shmoogy is yelling at him as he's trying to light the bong.

"What tha fuck you doing to that thing?"

"I'm trying to light it."

"Nigga that's not how you do it, you gotta put your finger over the hole first then you light it."

"Gaaaawwdammit, I know how to smoke weed bitch, don't be telling me what I already know."

She throws her hands in the air. "Well you ain't doing it right muthafucka, you're just wasting all that shit." Then all of a sudden she hears something – or someone – like a hippie – rustling about in the distance and pokes her head up.

"What tha fuck? ... who tha fuck's this nigga?"

"What nigga?" Trip K's pokes his head up too.

WHACK! She cracks him across the face.

"Owww ...!!"

"You fucking can't say that word!"

He rubs his nose.

"But you say it all the time." Then pauses. "And to me."

"I can say it cause I'm black."

He looks around all confused.

"But dat don't make no sense?"

"Don't have to make sense. Doze are da rules. Made up by you white-ass cracka muthafucka's cuz black people have been discriminated against, marginalized, oppressed, beaten, enslaved, and forced to live in ghettos while you white-ass cracka muthafucka's been living all high on the hog all privileged and shit."

He turns his head to her.

"But I live in a trailer on da side of a swamp and have to hunt squirrels for food."

"Seriously?" She looks at him oddly. "You hunt squirrels for food?"

"Yeeaahhh ..." He shrugs his shoulders.

"And eat 'em?"

“... ummmmyeeeeaaaahhh.”

She pauses a second.

“What the fuck they taste like?”

“... I don’t know like squirrels?”

“Nigga, I don’t know what da fuck a squirrel tastes like ... tell me what normal animal – that normal people eat – it tastes like?”

“Ugghhhh, I don’t know ... I guess it kinda tastes like possum.”

“Nigga.” She raises her hands up. “I don’t what the fuck a possum tastes like!”

“Gaaaaawdammit! I don’t know what da fuck a squirrel tastes like it just tastes like a fucking squirrel, stop asking me these dumbass questions!”

The hippie now gets up in front of them and stops.

“Uhhhhhhh ... Hello?” He says.

Lil’ Shmoogy looks at him rather annoyed.

“Sup nigga?”

“Yeah, sup nigga.”

WHACK!

“Owww ... !!”

“What tha fuck I just tell you!”

“But I thought I just couldn’t say it to a black person ... and this guy’s white!”

She looks at him oddly.

“Why the fuck would you want to call a white person the N word?”

He shrugs his shoulders. “I don’t know, cause it’s funny.”

“Seriously?”

“Yeah.” He concedes. “It’s funny cause they get all confused and offended. And some of ‘em get outraged. Which can be really funny.”

Lil’ Shmoogy starts chuckling.

“Oh yeah, it’s funny when white people get all offended and outraged and shit.”

“Oh yeah, cause a lot of ‘em are all liberal – and woke – and hate themselves for being white. And then get all offended and outraged for other people, they don’t even know, when they get called words they don’t even understand. Like if I called you a piece of shit you’d be all pissed off, but if I said you were ‘the shit’ you’d be like, oh hell yeah.”

She looks back at him.

“Oh yeah, it’s funny when white people get all pissed off and outraged for other people and shit.”

“Oh yeah, cause you know if the roles were reversed and black people had been enslaving white people all this time and now it’s a hundred years later and white people were still complaining about it ... black people would be all ... fuck you cracka, yeah I enslaved your ass keep it up and I’ll enslave your ass again.”

“Oh yeah, black people would be all ... fuck you you dumbass cracka, yeah I enslaved your ass, keep it up and I’ll enslave your ass again and toss your ass back out in the cotton fields and then bang your Momma.”

“Ha ha.” He laughs. “Oh yeah, black people would be all fuck you you dumbass lazy cracka, get a goddamn job and stop lying around smoking weed all day and trying to get reparations from me, now send your momma over here cuz I’m gonna bang her.”

Lil' Shmoogy cracks up. "Oh yeah ... like this dumbass lazy liberal cracka hippie in front of us. He probably wants some reparations or shit for free too ..." Then stares right at him. "So is that it hippie? Do you want some reparations or shit for free too?"

The hippie just stands there looking around all confused. "Ummmm ... did you guys just call me a dumbass liberal cracka hippie?"

"Yeah we called you a dumbass liberal cracka hippie boy." Trip K's yells out. "Whatchu gonna do about it?"

"Yeah, you dumbass liberal cracka hippie, what the fuck you gonna do about it? You gonna cry? ... you gonna cry and run off to your dumbass hippie momma and have her jerk you off?"

Trip K's starts laughing. "Yeah, this dumbass hippie probably has his mom jerk him off. They're all free love and shit. Hey mom, come jerk me off ... Free love!"

Lil' Shmoogy stares right at the hippie. "So is that it hippie, you gonna cry and run off to your dumbass hippie momma and have her jerk you off?"

The hippie just stands there with a very confused look to his face. "Nooooooo ..."

"Well what the fuck you want then hippie?"

"Yeah, hippie, what the fuck you want?"

"Ummmm ... I just won this secret mystery card for the cave of enlightenment?" He holds up a gold-colored card in the air.

"Oooooohhh ..." Trip K's face lights up. "Ooohhh look at me. I'm a dumbass hippie and I just won a secret mystery card for the cave of enlightenment. Oooooohhhh, I think I'm gonna get special powers in there or maybe meet DonMu and have him take me up to enlightenment."

"Yeah." Lil' Shmoogy adds. "I'm a dumbass hippie and I just won a secret mystery card for the cave of enlightenment and I think there's a magic genie in there who's gonna pop out of a bottle and grant me three wishes."

"Haaa! Yeah ... look at me, I'm a dumbass hippie and I'm gonna get three wishes from a genie ... Ooooohh ... and let me guess what a hippie wishes for ... ohh, I wish I had more weed!"

Lil' Shmoogy cracks up. "Yeah, I'm a dumbass hippie and wish I had more weeeeeed!"

"Yeah, this dumbass hippie's probably smoking that shwag weed too and can't even get high." Then stares right at him. "So is that it hippie? You been smoking that Mexican shwag weed and can't even get high?"

"Ummmm ... noooooo ..." The hippie shrugs his shoulders.

"Yo hippie. You want to smoke some of this good weed?" Lil' Shmoogy nods right at him. "Like the shit we got right here? Some chronic-ass indo that'll take you high up to hippie heaven?" She now holds the bag up in the air.

"Nooooo, I'm ok."

"Oh! ... Oh really?!" Trip K's exclaims. "Is our weed not good enough for you, hippie? Is that it? You think you're too good for us?" He now turns to Lil' Shmoogy. "I think the dumbass hippie thinks he's too good for us."

"Is that it hippie? You think you're too good for us? Don't want to be putting your white privileged hippie lips on the same bong as a black chick and some dumbass Klan redneck?"

"Hey!" Trip K's snaps his head over.

"Nooooo ..." The hippie says. "I just want to have a clear head when I go in the cave of enlightenment."

"Oooooohhh ... oohhhh, look at the hippie now." Lil' Shmoogy adds. "He wants to have a clear head when he goes in the cave of enlightenment ... don't wanna have DonMu think he's

some kind of dumbass hippie who likes to smoke weed with black chicks and squirrel-eating rednecks before he gets enlightened.”

“Hey!”

“Aren’t you the two who got thrown in this new jail area?” The hippie now inquires.

“Oh! ... oohhh look at the hippie now!” Lil’ Shmoogy exclaims. “He thinks we’re the ones who got thrown in the new jail area ... I think the hippie’s judging us?”

“Oh yeah hippie?” Trip K’s adds. “Is that what you’re doing? Are you judging us?”

“Nooooo ...” The hippie frowns, then takes a deep breath. “Can I just go up to the cave now?”

“Ohhh! Oh look at the hippie now! He don’t want to talk to us no more. He’s got better things to do. Well alright hippie, get your ass up there then ... go on ... get your ass up there ... and good luck finding it ...”

“Yeah, good luck finding it.”

“And if you do ... say ‘Hi’ to DonMu for us.”

“Yeah, say ‘Hi’ to DonMu for us hippie.”

“Peace Hippie!”

“Yeah, peace you dumbass hippie!”
