

DD Smooove & His Two Little Interns

The Legend of Balinese DonMu – Book One (Part III of III) – Epilogue

Intern B bites his lip. Realizing Intern A was probably right. Shuffles in his seat a bit more then changes the subject.

“I hear he’s the new affirmative action hire here?”

“Shut the fuck up dude. Stop fucking around.”

“What?! I’m not fucking around. I really did hear that. Like he’s the first black affirmative action hire at the CIA?”

“Duuuuude ... stop it.”

“Well, is it true?”

Intern A takes a deep breath and reflects on it for a moment.

“Yeah, it’s true. And from what I’ve heard he’s real bad ass too. So you’d better be real careful what you say around him.”

“Huh? What do you mean he’s bad ass?”

“Dude, don’t even start with me.”

“What? I’m being serious. I really want to know?”

Intern A lets out a long-exhausted sigh.

“Well ... I don’t know this for sure – this is all just what I heard from around the watercooler – but do you remember back in the 80’s when the CIA introduced crack into the ghettos and had black gang members selling it for them?”

“Yeah.”

“Well, Deputy Director Smooove was like the first black gang member selling crack for the CIA. I think he was a Crip or something like that. And the CIA was supplying him crack to sell.”

“Cool.”

“Yeah. And I guess he’s always worked for them ever since. Like doing little odd jobs and stuff.”

“Odd jobs? Like what do you mean odd jobs?”

“Well, I don’t know ... I guess like, selling crack for them. Making crack for them. Teaching other people how to make and sell crack. And I heard he used to be on those planes that would carry cocaine back from Colombia to make crack out of.”

“Nice!”

“Yeah, and I also heard he used to hang out with Pablo Escobar and shit. Like they were homies. I saw a picture of him once with Escobar at this strip club in Medellin with all these strippers around them. Partying and doing blow off their tits. And he’s flashing gang signs with Escobar and having Escobar flash Crip signs back. It’s a pretty lit photo.”

“Sweet!”

“Yeah. And then after Escobar was shot and killed, he was all bummed, cause they were homies. And then he got all pissed cause he thought the CIA was behind it, and the CIA felt bad so they gave him a promotion and a new job doing undercover black-ops for them, like destabilizing governments around the world by corrupting their leaders and turning them into our puppet dictators.”

“By giving them crack?”

“What?! ... I don’t know ... maybe? But he would like party with them and get them all hooked on our American lifestyle. Like partying, doing drugs, banging chicks. Whatever it took to get them to be our political slaves and shit. And I guess he’s really good at getting people to want to hang out and party with him cause now he’s come full circle and they’ve promoted him to the Deputy Director of Archived Secret Projects cause apparently he loves doing all that undercover black-ops shit.”

“Nice!”

“Yeah dude. And from what I hear he’s real old school.”

“Old school? Like what do you mean old school?”

“Well ... from what I hear he’s been changing things around here so they more fit his style and personality.”

“Like how?”

“Well, I don’t really know. But it’s like all Mad Men around here now. Like how shit was done back in the 60’s. He’s bringing back all that stuff.”

“Like what stuff?”

“Well, from what I hear drinking’s back on the job. And he likes Hennessey too. On the rocks. So you’d better learn how to make that shit cause he’s probably gonna have you make him one.”

“Cool.”

“And smoking too.”

“Like crack?”

“No, not like crack you idiot. Like weed. In blunts. And you’d better learn how to roll that shit cause he’s definitely going to make you do that for him.”

“Sweet!”

“And he brought back the old secretary pool thing too. Where he picks out a new secretary every morning. And he’s got like 12 chicks in his secretary pool. And where you’d think they’d all be black, they’re not, they’re all white. With big asses. He loves white chicks with big asses. That’s like his thing. And he calls them all his bitches. Like he’s a pimp from the 70’s or something. And he has this one chick, his main chick, who is black, and she’s like super-hot and he calls her his bottom bitch. I think that’s like an old pimp term from the 70’s that means his best bitch. But he doesn’t call her that to her face, cause she’ll fuck him up. And you don’t want to call her that either, cause she’ll fuck you up too.”

“Huh? What do you mean?”

“I mean she’s like one of those Black Panther chicks.”

“You mean like from that Wakanda movie?”

“No. Not from that gay-ass Wakanda movie. Like one of the original Black Panther chicks. The badass ones from the 70’s. Who wore black gloves, with clenched fists, and fucked shit up. Those Black Panther chicks. Not some gay-ass woke Wakanda shit.”

“Cool ...”

“Oh shit, here he comes!” Intern A starts shuffling around in his seat, re-organizing his papers and fidgeting about as they both now start looking through the glass window where can they see the new Deputy Director of the CIA walking down the hallway. Crip-walking. Wearing a jet-black pinstriped suit, black fedora, possible doo-rag underneath it, blue pocket square and black stainless-steel cane while holding a slightly-bejeweled chalice-style coffee mug. Flashy, but not too flashy. Like as flashy as you would imagine the CIA’s HR-Department would allow him to get away with after a long discussion and compromise on it.

“Is he crip-walking?”

“Shut up dude.”

DD Smooove enters the room.

“Whattup cracka’s.”
